Education

The following centennial proposal is certified as eligible for Centennial Challenge funding consideration in fiscal year 2008. Funding for the Centennial Challenge requires legislation.

Creating Future Park Stewards Through Education

Location: Homestead, Florida

Partner: South Florida National Parks Trust, Everglades Association, Friends of Big Cypress and the League of Naples

Total Cost: \$1,629,848

Proposal # 137504

Summary: This joint project among Big Cypress National Preserve and Biscayne, Dry Tortugas and Everglades National Parks, will fund the hiring of 24 seasonal and temporary park rangers, transportation of students to the parks and funding for supplies to allow 50,000 local children to connect with their local national parks.
